Hi Judo Volunteers,

We are hoping to get some volunteers for our tournament this Sunday.

The tournament kicks off at 8.30 and we are running 2 MATS and would love 6 people for each session (2 sessions - 8.30 & 12pm)

Please let me know if you can help in any way.

Cheers Adony

- Juniors and Cadets: 8:00-8:30 am
- Kyu Grades and Masters: 11:00-11:30 am

Two time slots (TBC) are:

- 8.30 AM to 12 noon
- 12 noon to tournament close (usually between 2 and 3 PM depending on numbers)

You may volunteer for the following times and positions:

Electronic Scorer

Manage the electronic scoring board. Preferably has had training in electronic scoring and understand the basic rules of judo and referee instruction (please note training will be provided before tournament - date and information to follow)

Weigh In Official

Register official weight for each competitor. We require one person to record it manually and one person to load information onto the computer system. We also need one person to read the weight of the competitor and one person to marshal the competitors and move them away from the area once they have weighed in.

Paper Scorer

Back up to the electronic scorer and to give a second set of eyes. This is also used when electronic system is down.

Timer

Back up to the electronic scorer and to give a second set of eyes for timing. This is also used when electronic system is down

Runners

Are available to help the scoring table communicate with other officials and to provide short breaks for scorers

Marshals

- Competitor Control
- Help organise upcoming competitors
- Check competitors are in the right colour suit for competition

☞ Please register as a volunteer by sending an email to judovolunteersnsw@gmail.com. Please also tell us the following in your email

- 1 The tournament(s) you would like to support;
- 2 The position you would like to fill on Saturday and/or Sunday;
- 3 Your preference for times ie. morning or afternoon (or both) on Sunday; and
- 4 Any experience you have.

As a volunteer, you will have free entry to the venue with lunch and refreshments provided. Free training for scoring will also be provided before the event.

Judo NSW is now hosting some of the best tournaments in Australia and with competitor numbers on the rise Judo NSW volunteers are playing a major part in this success. Let's keep up the good work and make 2017 the best yet.
